si datu bua

"The Sea shall be her home, the islands and their people her realm,
the glory of sunrise and sunset shall mark her days, the splendor of moon
and stars her nights, and thus all who sail upon her shall know
undisturbed peace in their hearts".

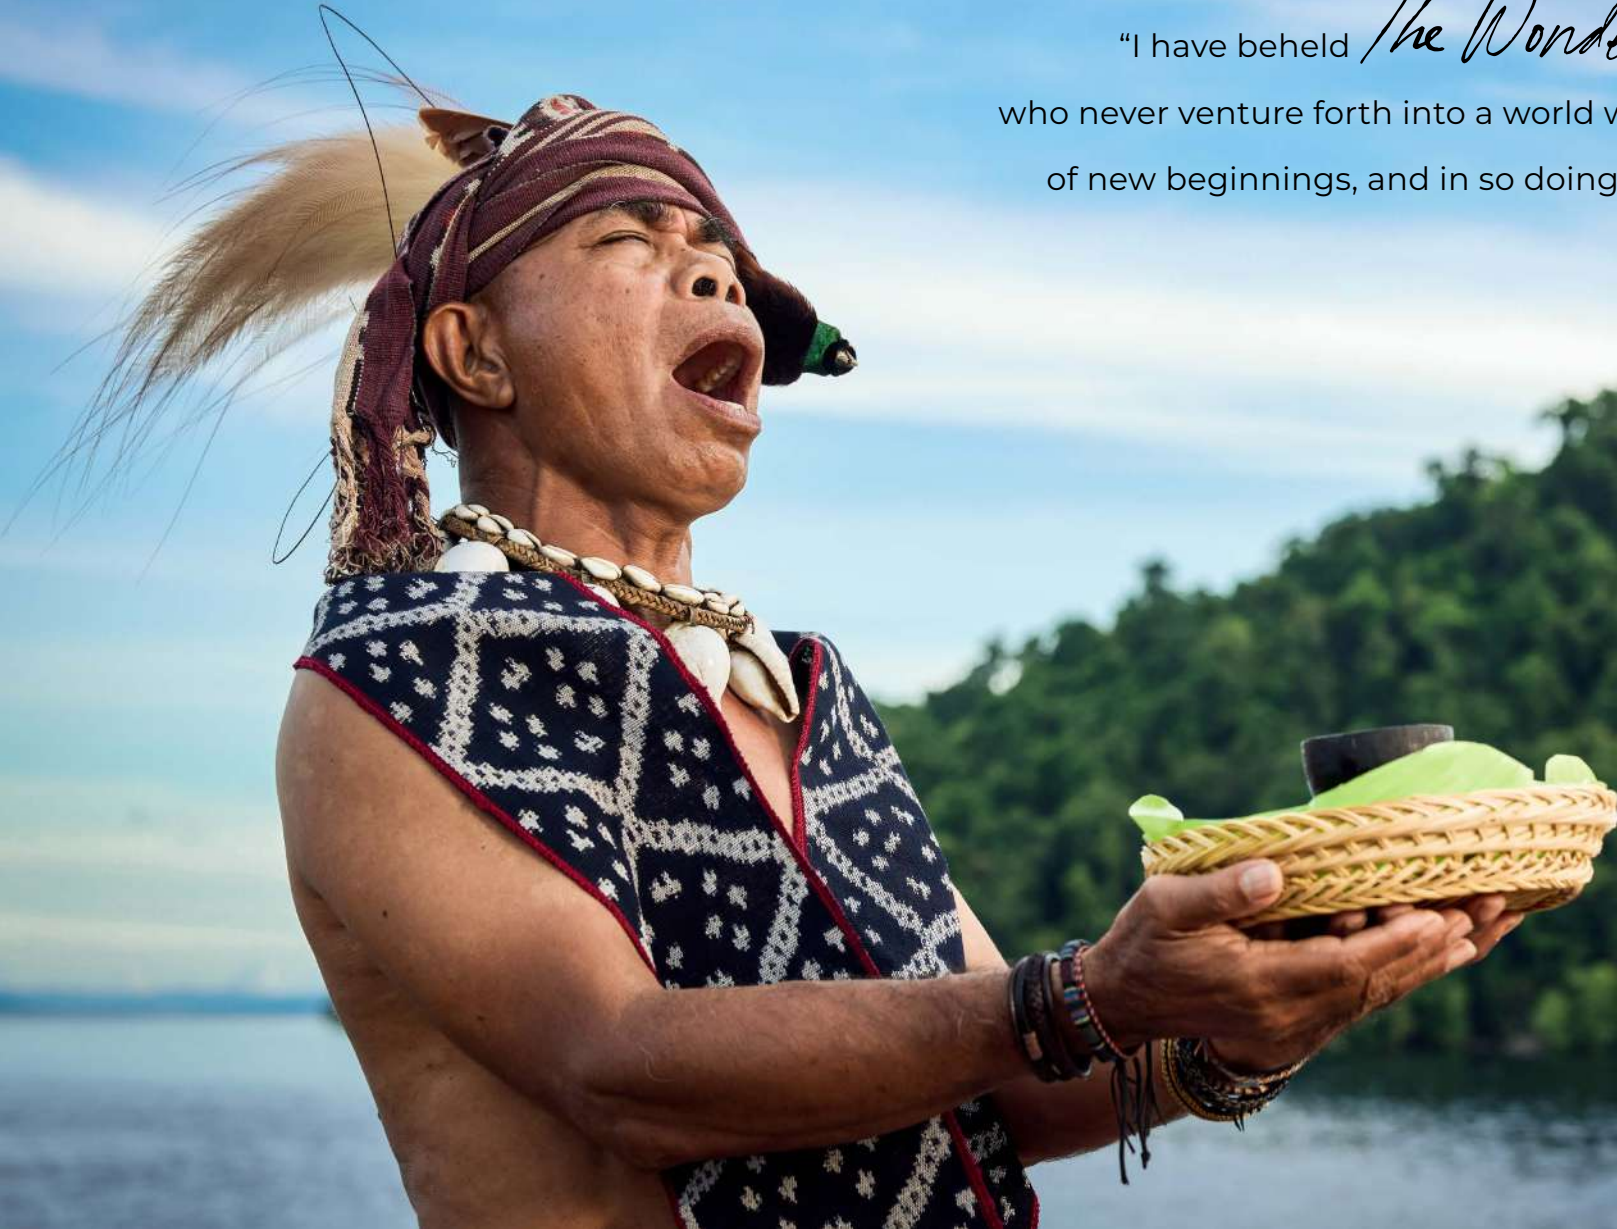

si datu bua

was meticulously crafted to stringently high standards exclusively for the world's most discerning travelers. As an agreeable mode of transportation from which to admire the majestic scenery, magnificent underwater wonders, and fascinating artistic expression found along the fabled Spice Routes of South East Asia Si Datu Bua is considered exceptional.

"I have beheld *The Wonders* denied those
who never venture forth into a world where each day is a series
of new beginnings, and in so doing grew nobler of spirit".

Si Datu Bua is a haven for those accustomed to understated elegance and exquisite cuisine who wish to explore the ancient Spice Routes intimately experiencing some of the most culturally, ecologically, and geologically diverse regions on our planet.

Toraja Suite

Styled after a traditional Sulawesi culture born amidst
spectacular mountain landscapes.

Celebes Suite

Reflecting the spirit of Sulawesi's coastal heritage,
where sea nomads once sailed and traditions last.
A harmonious blend of comfort and cultural soul.

Banda Suite

Inspired by the legendary Spice Islands, where nutmeg once shaped empires. A tribute to Banda's rich maritime history and timeless charm.

Authentic colors, textures, and styles

derived from the cultures they embody
endow Si Datu Bua with a relaxed yet
distinctive atmosphere. Spacious bathing
facilities are tastefully integrated into the
decor providing in a gracious well considered
manner those amenities so essential to a
comfortable standard of living.

"I Dreamed of Awakening like a Child,

each glorious day filled with new adventures, new discoveries, new and exciting experiences. My days my own to lounge, play, or explore as the urge should take me".

A full-page underwater photograph serves as the background. In the upper left, a diver in a black wetsuit and fins swims away from the viewer. In the center, a large manta ray with a black body and white stripes on its head and pectoral fins swims towards the right. The bottom of the frame shows a rocky, coral-covered seabed. The water is a deep, clear blue.

*Embraced by
glorious splendor*

I lingered over an alien
landscape, enthralled
by the ocean's majestic
wonders.

Molded by the Dramatic Majesty of its Surroundings

each new day offers an intriguing contrast. An expression of perception
echoed by timeless traditions. Primitive transcending contemporary
the essence of discovery distilled into an exquisite sojourn.
