CREW PROFILE

Rikardus Sales Karno (Captain)

Having spent years navigating the waters of Komodo aboard various Phinisi vessels, Rikardus has built a deep understanding of the region's routes, conditions, and maritime operations. His journey from helmsman to Captain reflects both his dedication and extensive hands-on experience at sea.

Today, he leads the vessel and crew with a calm and dependable approach, ensuring every voyage is conducted safely while delivering a seamless experience for guests exploring the Komodo Archipelago.

I Putu Oky Saputra (Cruise Director)

With a background in both hospitality and diving, Oky brings extensive experience guiding guests through some of Indonesia's most remarkable destinations. His passion for the ocean, combined with his warm and engaging personality, allows him to create memorable experiences both above and below the water.

As Cruise Director and certified Dive Master, he oversees guest activities, coordinates daily experiences, and ensures every journey is enjoyable, seamless, and tailored to guests' interests.

Qiat (Chief Officer)

Qiat has built his maritime career within Indonesia's liveaboard industry, progressing through the ranks through years of hands-on experience at sea. His background across various vessels has given him strong expertise in navigation, deck operations, and onboard safety.

As Chief Officer, he works closely with the Captain to oversee daily operations, support navigation, and coordinate the deck team, ensuring smooth, safe, and efficient voyages for both guests and crew.

Mara (Chief Engineer)

Mara brings extensive engineering experience gained across commercial and passenger vessels throughout Indonesia. Over the years, he has developed strong expertise in engine operations, maintenance, and onboard technical systems.

As Chief Engineer, he is responsible for ensuring the reliability and performance of the vessel's machinery, supporting smooth operations and maintaining the yacht in excellent condition throughout every voyage.

Made (Second Engineer)

Since beginning his career at sea in 2015, Made has developed strong expertise in vessel engineering, electrical systems, and engine room operations across a range of Phinisi vessels in Indonesia. His hands-on experience in both mechanical and electrical disciplines allows him to play a versatile role onboard.

As Second Engineer, he supports the vessel's technical performance through ongoing maintenance and careful attention to operational reliability, helping ensure smooth and safe voyages for both guests and crew.

Basri (Deckhand)

With many years of experience working aboard vessels across Indonesia, Basri has developed strong seamanship skills and a deep understanding of daily deck operations. His background as both an Able Seaman and helmsman has given him valuable experience supporting navigation, mooring procedures, and vessel maintenance.

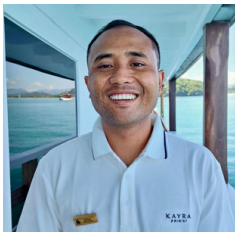

Known for his reliability and strong work ethic, Basri plays an important role in maintaining safe and efficient operations while ensuring the vessel remains well-prepared for every voyage.

Brida (Head Chef)

Brida brings over two decades of culinary experience across luxury yachts, liveaboard, and hospitality venues. Specializing in Indonesian and international cuisine, he combines creativity, consistency, and attention to detail to deliver exceptional dining experiences at sea.

As Head Chef, he oversees all culinary operations onboard, ensuring every meal is thoughtfully prepared and tailored to guests' preferences throughout the voyage.

Komang (Chief Steward)

With more than a decade of experience in maritime hospitality, Komang has built a reputation for delivering attentive service and creating memorable guest experiences at sea. His background spans both service and beverage operations, with a particular passion for crafting tropical-inspired cocktails.

Having worked aboard luxury Phinisi vessels for several years, he plays a key role in ensuring every guest enjoys a seamless and welcoming onboard experience, where warm hospitality and attention to detail are always at the forefront.

Aditia (Steward/Housekeeping)

Aditia combines experience from both luxury hospitality and Indonesia's liveaboard industry, bringing a service-oriented approach to life on board. His background has equipped him with a strong attention to detail and a clear understanding of guest expectations.

Supporting housekeeping, laundry, he helps ensure every space remains comfortable, welcoming, and impeccably maintained throughout each voyage.
