

Crew Profile 2026

Joni / Captain

Captain Joni was born and raised in Bira, Sulawesi, the cultural heart of Indonesia's traditional wooden Phinisi boatbuilding. He comes from a long line of sailors; his father captained a traditional wooden cargo boat, and Joni followed that maritime legacy into a career at sea. Over four years ago, he began working with Calico Jack Charters as chief officer and eventually became captain of Anne Bonny. Married and grounded by family, he enjoys badminton and fishing with friends in his spare time.

Sair / Chief Officer

Sair, our Chief Officer, comes from Bira, Sulawesi, the cultural heart of Indonesia's traditional wooden Phinisi boatbuilding. With a family deeply rooted in the craft, including his father and relatives who have spent their lives building these magnificent vessels. As the newest member of the Anne Bonny crew, he brings youthful, happy energy to the team. Always ready with a smile, Sair is quick to jump in and help wherever needed. When he's not working, he enjoys playing volleyball.

Andi / Dinghy Driver

Andi, originally from Manado, Sulawesi, has been an essential part of the Anne Bonny crew for the past three years. As a skilled dinghy driver and experienced dive guide, he plays a key role in ensuring every guest enjoys a smooth, safe, and memorable journey. Known as the heart of the crew, Andi is always welcoming, helpful, and quick to share a smile. A devoted family man, his passion, kindness, and positive spirit make him a true treasure onboard Anne Bonny.

Busri / Chief Engineer

Chief Engineer Busri, of half-Javanese and half-West Sulawesi heritage, is the center of Anne Bonny's machinery. Having worked aboard the boat for 9 years, he knows every line, panel, and system onboard. Busri maintains and oversees generators, inverters, water makers, dive compressors, and all the behind-the-scenes systems that keep the ship running smoothly. He rarely steps foot on land, but when he does, he enjoys catching up with friends who also work on boats.

Uddin / 2nd Engineer

Uddin is one of the newest crew members aboard Anne Bonny. With 14 years of maritime engineering experience, Uddin brings practical know-how and steady hands to the team. Hailing from Makassar, Sulawesi, he's married and has two children. A true sailor who's lived near the ocean his entire life, Uddin enjoys fishing with his friends when he's not working.

Aryion / Chef

Chef Aryion, born and raised in Labuan Bajo, Flores, has been part of the Anne Bonny crew for five years. A passionate cook both onboard and ashore, he is married with two children and enjoys fishing with friends and fellow crew members in his free time. Aryion carefully sources fresh, local ingredients and crafts menus blending European and Asian influences, thoughtfully adapting each meal to suit the preferences of guests onboard.

Samuel / Steward

Samuel has served with Calico Jack Charters for 12 years and is a warm, experienced steward aboard Anne Bonny. A native of Labuan Bajo, Flores, he is married with three children and brings genuine Indonesian hospitality to every guest experience. Always ready with a smile, Samuel enjoys playing sports in his free time and takes pride in making Anne Bonny feel like your home at sea attentive, friendly, and quietly ensuring your comfort throughout the voyage.

Jeffry / Crew Cook & Service

Jeffry brings over 15 years of maritime experience, including four years aboard Anne Bonny. Originally from Ruteng, Flores, he is married and a proud father of two young children. An enthusiastic amateur photographer, Jeffry has a great eye for capturing moments at sea. Known for his infectious energy, he is always the first to dance during Anne Bonny's legendary beach BBQ nights, bringing joy and spirit to every voyage.
