

KUDANIL EXPLORER

Private Adventure Yacht

INDONESIA

Fact Sheet

Location & Operations

Kudanil Explorer is a purpose-built expedition yacht operating throughout Indonesia's archipelago of more than 17,000 islands, providing access to remote cruising grounds including volcanic coastlines, rainforests, coral reefs, surf breaks, and isolated island communities.

Built with approximately three times the power of a traditional wooden sailing vessel, she is designed for extended range, operational reliability, and onboard comfort, while maintaining one of the highest space-to-guest ratios in the region.

The yacht operates primarily on a full buyout, private charter basis.

Experiences

Each voyage aboard Kudanil Explorer is fully customised, combining adventure, discovery and comfort.

- **Surf & Ocean Adventure:** Access uncrowded surf breaks and explore wild coastlines at your own pace
- **Scuba Diving & Snorkelling:** Discover vibrant reefs and rich marine biodiversity
- **Wildlife & Nature Encounters:** Explore pristine coral gardens and rare coastal ecosystems
- **Water Sports & Toys:** Stand-up paddleboards, kayaks, banana boat, e-foils and inflatable sea pool
- **Kudanil Beach Club:** Signature setup on remote beaches for swimming, sunset cocktails and private shoreline experiences
- **Cultural & Island Exploration:** Visit isolated villages, uninhabited islands and regions rarely accessed by tourism

Every itinerary remains flexible, shaped by conditions, guest interests and spontaneous discoveries.

Dining

Dining aboard Kudanil Explorer is relaxed, refined and tailored to each charter.

- **Sky Lounge Restaurant:** A large flat deck unique in the region, offering panoramic ocean views for alfresco dining
- **Main Deck Indoor Restaurant:** Calm, comfortable dining space for all-day service
- **Sky Lounge Bar:** Sunset cocktails with ocean views
- **Indoor Bar:** Elegant and welcoming space for relaxed evenings
- **Cuisine is prepared to five-star standards,** with options for plated fine dining or family-style sharing. Menus draw inspiration from Mediterranean, Western, Continental and Indonesian traditions, adapted to guest preferences and dietary requirements.

Accommodations

Kudanil Explorer features eight spacious, identical above-deck cabins, each designed as a private sanctuary at sea.

- 30 m² per cabin
- Floor-to-ceiling windows opening onto private balconies
- All cabins located above deck for enhanced comfort and reduced engine noise
- Flexible bedding configurations
- Quiet, stable cruising with a gentle nighttime hum

Kudanil Explorer is the only yacht in Indonesia where every guest cabin features a private balcony.

Crew & Service

Kudanil Explorer is operated by a dedicated team of 22 experienced professionals, led by highly capable expedition crew who sail with guests on every voyage.

Rooted in Indonesia's deep tradition of hospitality, the crew delivers warm, intuitive service while maintaining professional standards of safety and seamanship. Their local knowledge, flexibility and passion for exploration allow itineraries to evolve organically, often revealing places and moments beyond any fixed plan.

By the end of the journey, guests often depart with a genuine sense of connection—to the places explored, the crew, and the spirit of adventure that defines Kudanil Explorer.

Wellness & Indoor Spaces

- **Java Spa:** A serene onboard spa designed for relaxation and recovery between adventures
- **Library:** Quiet, comfortable space for reading, reflection or downtime
- **Indoor Cinema:** Ideal for movie nights, photo and video screenings, or shared moments as a group

These spaces provide balance between exploration and rest throughout the voyage.
