PACKING ESSENTIALS

PACKING ESSENTIALS

What to bring:

- Clothing: Indonesia is warm year-round, so pack light, breathable clothing. A light jacket is recommended for cool flights or chilly evenings onboard, and a rain jacket may be useful.
- Cash: Bring local currency and USD for souvenir shopping or tipping.
- International Sockets: We have international sockets onboard for your convenience. However, please remember to bring chargers for any personal gadgets you bring along.
- Diving Certification Cards & Logbook: For certified divers.
- Camera and Drone: Allowed on board; fees may apply if using a drone, please check during trip preparation.
- Swimwear and Water Shoes: Essential for water activities.
- Footwear: Shoes are not required on board. Sport or trekking shoes are recommended for land excursions.
- Hat & Sunglasses
- Reef-Friendly Sunscreen: We provide them on board, if you decide to bring your own, please make sure that is reef-friendly.
- Mosquito Repellent: Especially useful for land excursions.
- Personal Medications
- Health & Hygiene Products
- Seasickness Tablets: If you're prone to seasickness.
- Sanitary Products: For female guests.

What you not need to bring:

Please note that all our toiletries are all environmentally and reef friendly, and they smell great too!
